

Middle School 2020 Summer Program

Class/Activity Summary

Christian Education : The Middle School Program will have Christian Education every **Monday, Tuesday, & Friday** with various staff. Christian Education will feature a wide array of topics and methods like lessons, games, worksheets, devotions, & more.

Community Service Projects: Every week, we will choose a different service project as part of our mission to give back to our local community. In the past our community service projects have included the following groups, Meals on Wheels, Davidson County Crisis Ministries, Fire Dept., animal shelters, & more.

Arts & Crafts: Every **Wednesday**, the kids will have a special Arts & Craft time with Mrs. Tabitha where they will get to make hands on crafts. Also, throughout the summer we will have a special Art Class with Mrs. Keri.

Middle School Newspaper: This summer, the Middle School kids will get to write, edit, and draft their own weekly Newspaper with articles and content created by them. The newspaper will be distributed to the Elementary Age Summer Program kids every Friday and emailed to the parents each week.

Movie and Popcorn in the Afternoon: The kids will get to watch a movie and enjoy popcorn on the projection screen every **Tuesday** afternoon.

Science Class: Each **Wednesday**, Ms. Monica will have Science Class with the kids featuring hands on activities and experiments.

Water Games: Each **Friday**, Mr. Jonathan will plan Water Games for the kids with water balloons, sprinklers, & more. After Water Games, the kids will have Free Water Play.

Talent Show: The kids will have the opportunity to perform at or help carry out a Talent Show on July 29th. Throughout the summer, Mr. Mack will have sign-ups, dress rehearsals, and more to prepare for the Talent Show. Middle School kids can show off their talents as an act or help carry out the show by being stage hands, audition coordinators, directors, a/v, & more. The Talent Show will be recorded and streamed digitally for the parents to enjoy.

Wheel Day: On Thursdays, kids are welcome to bring their bike, roller blades, skateboards, etc for use during outside play. This is optional. Please send appropriate safety gear.

Special Activities & Organized Games: Each week, the staff will plan organized group games & special activities for the kids throughout the week.
